AN UPDATE ON YOUR GIFT FOR YOUTH DEVELOPMENT

Prepared for Christian Brothers Moving
Presented by Malia Wycoff
Spring 2023 Update

Young people from Iglesia Evangelica Interamericana el Mana prepare woven bracelets and key chains to use as tools in their evangelism efforts.

Enhancing Holistic Child Development

Thank you for your gift that is allowing 152 deserving young people from Medellín and Uraba, in northern Colombia, to develop valuable skills and abilities that will help them to grow in their leadership within their communities and service in their local churches. After almost a year of training and service projects, the youth are already making an incredible impact, and we look forward to its continuation over the coming months.

Intervention Status

We are pleased to report this intervention is proceeding on schedule, and since our last update, the following has taken place:

- Young people from both communities visited one another to exchange ideas and make plans for specific initiatives in their communities.
- All of the young people in the program participated in a youth leadership camp in the community of Necoclí. The camp focused on training in small group evangelism.
- While in Necoclí for camp, the young people joined together to host a cultural and talent night in town. They shared the gospel with those who attended through music, painting and artwork, and a mime show.

Empowering Ministry Efforts

Young people from Iglesia Cuadrangular Vida para las Naciones serve in their church each Sunday.

A group of youth from Iglesia Cristiana Cuadrangular de Rio Grande delivers a food basket to a family in need.

The young people from Comunidad Cristiana el Buen Pastor prepare to share the gospel in the city of Necoclí Uraba through a mime performance.

Equipping God's People

Thank you for supporting young people in Colombia. Because of your gracious support of youth development, lives are being changed for the better. Your gift is a blessing to young people living in poverty, empowering the local church to follow God's calling.
